# HAMILTON HITS THE STRIP

Las Vegas has never lacked for live entertainment, but since **The Smith Center** opened five years ago, there's been more of a very specific variety. "People often say that Broadway is the longest street in America," says The Smith's president and CEO Myron Martin, "and now it runs through Las Vegas." Martin, whose \$470 million performance center has already staged nearly 2,000 Broadway shows, opens the 2017-18 season with *Something Rotten*, running August 8-13, and concludes it with *Hamilton*, May 29-June 3, 2018. "We go out of our way to get shows that will resonate with our audiences," he says. The 20th anniversary of *Rent* and the revival of *The Color Purple* are the two Martin says he's most looking forward to in the months ahead. [thesmithcenter.com](http://thesmithcenter.com)

## KEY TO THE CITY David and Michael Morton

A pair of American hospitality royals—the brothers and seasoned restaurateurs behind MB Steak, the new temple of beef inside the Hard Rock Hotel & Casino—shares how they do Sin City in style. [mbsteaklv.com](http://mbsteaklv.com)

### CUP OF JOE

Truly the sickest cup of coffee I have ever had was at **Prediction Coffee**. [900 S. Las Vegas Blvd.](http://900S.LasVegasBlvd.com) —MM

### POWER LUNCH

**La Cave** at the Wynn is the spot—and not just because it belongs to my brother: The patio is so pleasant a working lunch doesn't feel like work, and if you order the Big Reds wine flight, you might just settle in until dinnertime. [wynnlasvegas.com](http://wynnlasvegas.com) —DM

### COCKTAIL HOUR

Las Vegas locals and industry folks give **Herbs and Rye** an "in the know" feel. *Cocktail hour* is a misnomer though—it's *hours*, plural. [herbsandrye.com](http://herbsandrye.com) —DM

### RETAIL THERAPY

I'm not much of a shopper, but I'll go to **Dee Berkley Jewelry** for a gift for my wife. It is hidden in the back of a dance studio on Rainbow Boulevard, and everything is custom. [deeberkleyjewelry.com](http://deeberkleyjewelry.com) —MM

### FIELD TRIP

The **National Atomic Testing Museum!** It tells the history of the second half of the 20th century through a very specific lens, and the gift shop has Miss Atomic cards—no kidding. [nationalatomictestingmuseum.org](http://nationalatomictestingmuseum.org) —DM

### HIDDEN GEM

If you can, catch "**Conversations with Norm**" at The Smith Center, where local celebrity columnist Norm Clarke interviews his subjects in person. [thesmithcenter.com](http://thesmithcenter.com) —MM

### DATE NIGHT

On this, we agree: **Estiatorio Milos** at the Cosmopolitan. [cosmopolitanlasvegas.com](http://cosmopolitanlasvegas.com) —DM AND MM
